

ACKNOWLEDGEMENT

The successful completion of this project would not have been possible without the guidance, support, and encouragement of numerous individuals. We take this opportunity to express our heartfelt gratitude to all those who contributed to the realization of this endeavour.

We would like to begin by expressing our sincere thanks to **IIIT Nagpur** for providing us with an exceptional academic environment and the resources necessary to pursue this project. The institute's emphasis on innovation and learning has been a cornerstone of our journey, enabling us to push boundaries and achieve our objectives.

We are especially grateful to **Prof. Prem Lal Patel**, Director, IIIT Nagpur, for his leadership and for fostering a culture of academic excellence and student-driven innovation.

We also extend our appreciation to **Dr. Tausif Diwan**, Associate Dean, IIIT Nagpur, for promoting a student-focused learning environment that encourages innovation and the practical application of knowledge.

We thank **Dr. Nishat A. Ansari**, HOD, CSE, IIIT Nagpur, for her unwavering support and dedication towards student growth.

Next, we express our heartfelt gratitude to our Project Mentor, **Dr. Vrinda Yadav**, from the Department of Computer Science and Engineering, IIIT Nagpur, for her invaluable guidance, constant encouragement, and expert insights throughout the development of this project. Her unwavering support and profound knowledge in the field have been instrumental in helping us overcome challenge and achieve our goals.

We are also sincerely thankful to the **Project Review Committee** for their critical feedback and constructive suggestions, which helped us refine and enhance the quality of our work. Their inputs have been pivotal in ensuring the success of this project.

Finally, we would like to acknowledge the faculty members of IIIT Nagpur for fostering an environment conducive to learning and innovation. Their encouragement and support have been vital to the successful completion of our project. This work represents not only our technical efforts but also the collaborative spirit and mentorship we received throughout this journey.
